- BYD SEAL performance figures are based on specific variants tested under controlled conditions.
- Certain specifications, car variants, features, and options described in this brochure may not be available in Pakistan.
- Colours depicted are a guide only and may vary from actual colours.
- Mega Motor Company (Private) Limited reserves the right to change product specifications, car variants, features and services specified herein without prior notice.
- Performance and range figures are based on ideal conditions and may vary depending on car variant, electricity load, charger specifications, driving habits, road conditions, climate, and other factors.
- All warranties are offered only for their mentioned time period, or on the car's total mileage, whichever occurs first.
- BYD vehicles are designed with a comprehensive suite of safety features. However, these features are intended to assist the driver and do not replace the need for vigilant driving, adherence to traffic laws, and responsible driving behavior.
- The rims displayed are exclusively for the Seal Premium model.
- For further information and updates on features, specifications, and other details, please visit www.byd-mega.com.
